THEATRE ROYAL
CITY HALL, HONGKONG.

DAVE CARSON'S MINSTREL
(For a few Nights only, previous to the departure for Shanghai).
First Time in Hongkong of the above
TOUNDRY DIRECTOR of the AGE.

**THE WONDERFUL CABINET, BOX, AND
HANDFUL PRICKS.**
Now created for the first time in London,
will be performed precisely as performed
Messrs. MASTERSTON and COOK, and Dr. LEE,
at the
EGYPTIAN HALL, PICCADILLY.
Who are acknowledged to be the most celebrated
SPECIALISTS THYMATOGRAPHS of the
AGE.
These wonderful delusions have been a specialty
in London for the past two years, and are
still unexcelled for.
"Nothing since the Time of the Pharaohs
created such profound astonishment."
(says the *London Times*).
The effects produced are so amazingly allied to
supernatural. A box is placed upon the stage,
any one is at liberty to closely inspect the same.
One of the public is selected, and the box is
which is next carefully locked by any gentleman
present, the latter retaining possession of the
public's name as security to avoid the using
of the public's name if they choose. And last
the cabinet may be sealed. The Cabinet is
brought to the front, and the box, with the
public's name on it, is placed on the cabinet.
If the Cabinet, in a few minutes the Public
permitted to open the Cabinet, take out the
break the seal, untie the knots, and untie the
knot, when, to their astonishment they find
the gentleman who had been so carefully locked
up, on seat.
The Handful trick is equally daring and aston-
ishing. A number of the Police Force will be
questioned to bring a pair of iron regulations handed
over to him, and give the same in the usual manner to
himself. The audience will see him himself
his fetters in less than a minute!

MR. CARSON, during his recent trip to Hong
Kong, visited Messrs. MASTERSTON and COOK, and
Dr. LEE, who were so much impressed

ed to purchase the, ri

of the same marvellous fount in the East.
In Addition to the usual Programme of
DAVE CARSON'S MINISTRIES,
these illustrations of so called Spiritualism will
exhibited for the first time in Hongkong.
startling effects are far more marvellous than
of those that have lately been said to have
produced in Europe and America, and describe
"PSYCHIC FORCE."

MUSICAL AND DRAMATIC NOTES.

Mr. George Augustus Sala is reported to be engaged on a drama.

The Boston Municipality has decided to vote 10,000 francs as a subsidy to the Teatro Apollo, the first musical theatre in the capital.

Signor Salvini's recent performance of "Otello," he was three times recalled, and presented with a piece of silver plate in the form of a cup.

The Philharmonic Theatre, Arlington, has just been leased to Mr. J. D. Solomon, who intends opening it in the autumn season, with an orchestra of 25 instruments.

The great event of the musical year in Paris is the adjudication of the Grand Prix de Rome, which has taken place, the successful competitor being M. Widor, a pupil of Berlioz.

According to a letter written by Verdi to a friend at Genoa, he has promised, at the desire of the Emperor of Austria, to write a new opera, to be brought out at Vienna next year.

In the Italian theatre, now in Florence, an ancient theatre has just been brought to light, which is in inferior proportion and the richness of its decorations to the similar monuments of Pompeii and Paestum.

It is not true, as has been stated, that Signor Salvini, Mr. Henry Irving, Mr. Barry Sullivan, and Mr. Beniamini, are to play Hamlet in competition on the stage of the Royal Amphitheatre, for a prize offered by the enterprising lessor of that house.

Madame Adeline Patti has announced to sing at concerts to be given by Mr. Kuhl, at Brighton, on September 1st, at Birmingham, on September 2nd, and at Manchester on September 23rd. These will be Madame Patti's last appearances in England this year.

The duties of actors at minor theatres are numerous and exacting. At the end of the long suffering career has been heard complaining that in a Liverpool theatre recently when "Macbeth" was produced, he was condemned to play every character except the title role of Macbeth.

It is not true, as has been stated, that Signor Salvini, Mr. Henry Irving, Mr. Barry Sullivan, and Mr. Beniamini, are to play Hamlet in competition on the stage of the Royal Amphitheatre, for a prize offered by the enterprising lessor of that house.

At a representation at the Theatre, on September 2nd, a piece of verse called "Les Deux Villes" was recited by M. D. Borel. The stanzas were recited by Madame Favart and Lloyd as a recitation and a recitation. The recitation was well-received, and the piece was well-received.

A new actor, who comes from St. Patrick's, Dublin, has recently made his debut in London at the Theatre, on September 2nd, and at Manchester on September 23rd. These will be Madame Patti's last appearances in England this year.

"RITUALISM" IN THE SCOTCHISH KIRK.

The Presbytery of Dundee have had under consideration a petition by a small minority of the congregation of the parish church of Dundee, complaining of the introduction of certain "Ritualistic" practices there. The Presbytery adopted a motion which, among other things, ordered the removal of a communion table, which covered the communion table, on which were placed several crosses, of a cruciform covering, surrounding the font, and the disfigurement of special services on festival days. They further ordered that the letters "I.H.S." and several crosses, of a cruciform covering, surrounding the font, and the disfigurement of special services on festival days. They further ordered that the letters "I.H.S." and several crosses, of a cruciform covering, surrounding the font, and the disfigurement of special services on festival days.

The decision will be appealed against.

The following is a brief summary of the Ministerial changes which have been made in the lifetime of the present Sultan of Turkey. On his advent to the throne he found the late Mahmed Ezzet Pasha at the head of affairs.

This Vizier was soon succeeded by Fend Pasha, who, however, only remained a short time in power, and then resigned with his whole Ministry, and was succeeded by Enver Pasha, who, for a brief period, held the reins of power.

PUNTI AND MANDARIN PRONUNCIATION.

An Anglo-Chinese Dictionary, published at the Daily Press Office, Hongkong.

For comprehensive and practical service this work stands out as the only one of the kind. It contains more than 10,000 Chinese characters, and all the new words which the Chinese have of late years been compelled to coin to express the numerous objects in machinery, photography, telegraphy, and in general, which the rapid advance of foreign relations has imposed upon them, are here given in Chinese. Each and every word is fully illustrated and explained, forming a complete and useful reference work for students of a most interesting nature.

Both the Court and Court preliminary have given the accounts being furnished to the best principle hitherto obtained. This photographic process the success of an attempt to make the Chinese and English type correspond in the size of body, thereby enabling a clear economy of space, and a clearness not previously attained, and dispensing with those red margins and "vacant spaces" which have hitherto characterized Chinese publications.

To illustrate the vast scope of the work, the following facts are submitted for consideration: "Vocabulary" contains about 10,000 Chinese characters, and "Mandarin" English and Chinese Dictionary about 100,000. This work contains more than 50,000 English words, and upwards of 600,000 Chinese characters. Again, despite all the grammatical and other elementary matter yet published, the student of this difficult language absolutely requires examples to display the various applications and equivalents of different words which have one general meaning. Of these examples this work contains more than five times as many as any other Dictionary hitherto published.
